

TYPHOON PLUS 1" C/LESS IMPACT WRENCH-AU

Brand: **Paoli Pit Stop**

Product Code: **A.08.0026-AUNZ**

TYPHOON PLUS 1" C/LESS IMPACT WRENCH-AU

The Typhoon PLUS is a VERY powerful cordless wheel nut gun from Paoli which has been developed for race teams where a cordless gun is required and features ULTRA Power batteries.

It features a 1" square drive and has a max torque of 1600Nm (1180 ft/lb) torque with a free speed of 1650 Rpm. An LED light is great for illuminating the work area and a battery level indicator takes the guesswork out of the battery charge condition.

Complete with Australian & New Zealand power plug.

20v Lithium-Ion battery powered (2 batteries supplied)

1600Nm (1180 ft/lb) torque

1" square drive with Motorsport socket connection

Battery level indicator

LED work light

The Paoli Typhoon Plus has a comfortable ergonomic handle with high grip areas on the handle and cover for maximum user control. An aeronautical grade aluminium cover is used for increased durability with minimum weight. It comes supplied in a hard carry case with 2 x 20v batteries and a fast charger.

Kit includes:

1 x TYPHOON Plus 1" drive impact wrench tool body

2 x ULTRA Power Batteries (20v)

1 x Battery Charger

1 x AU/NZ Power cord

1 x Carry case

Square drive 1"
