

1"DR ALUMINIUM SKT F430 CHALLENGE

Brand: **Paoli Pit Stop**

Product Code: **B.28.0037**

1"DR ALUMINIUM SKT F430 CHALLENGE

1" Square Drive Paoli Lightweight Hexagonal motorsport socket with balls & springs retaining system to suit SW 80 mm Nut size for Ferrari 430 Challenge vehicles.

This socket is manufactured from aerospace aluminium and as above features socket retaining system to securely hold your wheel nuts in place, comes with the retainer pin and O-Ring as pictured.

For applicable Safety Retaining Ring, instead of using the standard O-ring and Metal Pin to retain the socket to the impact wrench, see part# RR10019CG.
