AIR LANCE "Easy Push" C/W BALL VALVE

Brand: **Krontec**

Product Code: **LL-03BV**

AIR LANCE "Easy Push" C/W BALL VALVE

Krontec Air Lance complete with Ball Valve and inlet coupler fitting. This is by far the most practical and durable air lance "Wand" for motorsport. Made in Germany to strict quality standards the LL-03 lance is standard on all Porsche 997 Cup cars, along with many other products we distribute, including air jacks, car valves etc...

PLEASE NOTE our supplied product comes with the Dash 6 male adaptor in the end of the lance and all parts ready to fit to your Japan style plug coupler. This is unique to our supply, and ensures you get everything you need right out of the box!

We are sure our competitive prices will ensure you get the best products at the best prices.

We also carry service kits for this lance in stock!
