

## DIN BOTTLE ADAPTOR KIT - HARRIS 825

Product Code: **RGPRSF200DINH825K**

## DIN BOTTLE ADAPTOR KIT - HARRIS 825

This is the parts to fit to a Harris 825 regulator so the regulator can be fitted to dive (scuba tank) bottles.

**IMPORTANT SAFETY NOTE:** You must ensure the scuba tank is NOT FILLED with more than 230 bar pressure as this is maximum inlet pressure for Harris 825 regulator series.

We recommend no more than 200-220Bar bottle fill pressure.
