4" IND SAFETY LEVER ANGLE GRINDER

4" Industrial angle grinder - Made in Japan! Features a powerful motor and is lightweight and easy to handle, comes with a female wheel mount for added security when using either grinding wheels or cutting off discs - manufactured for durability!

The tool also has a handy wheel lock button for the quick and easy changeover of wheels, reducing the tools required. Also features a speed governor to ensure speed control is maintained, a comfortable rubber grip, easy, yet safe, throttle lever design with safety trigger and a silenced exhaust. The large safety trigger makes it easy to operate when using the tool with gloves.

This is a very powerful tool in a compact body and is sure to please! This tool is a favourite with our heavy industrial manufacturing, construction and mining customers and we are confident you will agree!

As with all of our industrial products, we offer technical and spare parts support to ensure your investment in our imported product(s) is a wise one.
