SPECIALISED TANK PROTECTIVE COVER

Product Code: **TC1-CYL18FSVB1**

SPECIALISED TANK PROTECTIVE COVER

This is a specially made Neoprene Protective Cover for the Faber Steel Tanks we supply with valve and Rubber boot.

These covers are a PERFECT FIT, not only provide protection to the tanks, they also provide an excellent base for placement of your logos, or marketing.

Either screen printed or sublimation prints can easily be achieved, contact us for any questions or further information.

We also provide covers and products for many other products made with the same material. Do you have something you would like to protect, or add your marketing to, Let us know!
